WATER DISTRICT REBUFFS CONWAY-CULLIGAN AGAIN

Another Meeting Set For Tomorrow

The Alameda County Water District again refused last week to play ball with Conway & Culligan, subdividers, in the latters' move to supply water to 1200-home Irvington Square.

District directors concluded a four-hour meeting with C & C representatives by refusing a new plan — one which would have the district charge tract dwellers an extra fee to pay for pipes to their homes.

The directors want C & C to pay for any pipe laid in the Irvington suburb-to-be. C & C, represented by Guy Rosebrook, argued that they should be repaid for the $100,000 investment, even if the public agency has to do the collecting.

Another meeting is set for tomorrow at 1 p.m. But chances for a compromise appear slight. Directors contend important policy is involved.

The subdividers said they then will form a community water district among the homeowners, drill wells, and use the Hetch-Hetchy pipeline as a standby.

District spokesmen claim the plan is impractical, since (1) the wells probably will be pumping salt water in a short time, and (2) San Francisco, which owns Hetch-Hetchy, won't sell to the private concern.

In fact, says Matt Whitfield, general manager for the district:

"I spoke later with George Pracey, manager of the San Francisco water department, and was told they would not give water to Conway & Culligan under these circumstances."

Diane Caldeira, daughter of Mr. and Mrs. Manuel Caldeira of Newark, will reign as queen of the Holy Ghost Fiesta this weekend in Newark. She will be attended by sidemaids, Eileen Pierce, daughter of Mr. and Mrs. John Pierce of Centerville, and Joan Silva, daughter of Mr. and Mrs. Joe Silva of Newark. The queen's cape holders will be Linda Maciel, Sharon Mello and Leland Goulart, and her bar holders will be Myrna Menezes, Diane Avila, Russel Pierce and Rodney Souza.

Attending small queen Bernice Wilson, will be sidemaids Ava Charise Carlson and Renee Nobriga; cape holders, Darleen Cardoba and Robert Sullivan; and bar girls, Rosemarie Kovaich, Linda Spear, Sharon Ross and Carol King.

The fiesta will begin Saturday evening when Queen Diane will be escorted to St. Edward's Catholic church for the blessing of the crown. When the procession arrives at the Pavilion there will be the traditional display of fireworks, followed by dancing, both American and the Portuguese Chamarita, to the music of the Pinto Brothers orchestra of Alvarado.

Carnival attractions will be at the Pavilion grounds both Saturday and Sunday.

Queens and their attendants from neighboring communities, and representatives of fraternal organizations and Holy Ghost committees, with their colorful banners, as well as drill teams and two bands, will march in the big parade Sunday morning, starting at 9:30 at the Pavilion, and proceeding down Thornton avenue to St. Edward's church where High Mass will be solemnized by Father Vincent O'Sullivan.

After Mass the parade will return to the Pavilion where the famous free "sopas e carne" will be served.

The auctioning of livestock and the general auction of produce, cakes, sweet bread, etc. will take place in the afternoon, followed by free dancing.

Ernest T. Santos is president of the Holy Ghost Fiesta Committee; Newell L. Roche is vice-president; Lewis F. Menezes, secretary: Fred E. Dias, treasurer; and Francis J. Reis, marshall.

FORD TO MAKE '55 CARS AT MILPITAS

Ford Motor Co. will start producing 1955 model autos at its new Milpitas plant next spring—that's official.

The Milpitas assembly operation will be activated March 1, 1955, W. A. Abbott Jr., plant manager, announced last week.

Production at the Richmond plant will stop on February 25, 1955, with the first chassis line production scheduled to start at the new plant on March 7.

Abbott stated it will be necessary to transfer some employees to the new plant prior to March 1. These employees will be selected on the basis of requirements at the Milpitas factory.

"This program represents the best estimate and procedure the company can make at the present time," Abbott notified the 1600 Richmond employees.

As now shaping up, the plant at Milpitas looms as a monster covering about 16 square city blocks, with the main building stretching 1712 feet long and 838 feet across to provide 1,400,000 square feet of manufacturing space. It will employ 4000 persons.

Niles Sportsmen Shoot July 18

A gala shoot is promised July 18 by the Niles Sportsmen's Club.

To be held on the club range south of Niles, the shoot will feature ham and bacon prizes, trapshooting, running deer targets, large bore and mo-skeet—using a .22.

New Principal At Warm Springs

Francis Tremblay has been named principal of Warm Springs Elementary School, succeeding George W. Clarey, who is leaving to accept the position of district superintendent at Pollack Pines School in El Dorado County.

The announcement was made today by J. Orville Leitch, clerk of the Board of Trustees.

FREEWAY DIPS MAKE'M SEASICK

The new Eastshore Freeway link between San Jose and Warm Springs came in for caustic criticism Tuesday at the Niles Chamber of Commerce only four days after its official opening.

"The State Engineer who accepted that dipsy-doodle should be asked a few questions," declared Dr. T. C. Wilson, dentist and sport car enthusiast. Dr. Wilson said his first trial run on the Freeway near Warm Springs made him think he "was on a rolier coaster."

"It dips not only forward and back, but sideways," he asserted. Dr. Wilson warned "it'll have to be resurfaced within a year."

Commenting that "the taxpayers are getting stuck," the dentist successfully moved for a critical letter to be written on behalf of the Chamber to the Division of Highways.

'COT CANNING STARTS LOCALLY

Bringing its annual payroll of almost $200,000, the apricot canning season opened this week in Washington Township.

About 500 persons went to work yesterday at the F. E. Booth Co. cannery in Centerville, with employment scheduled to run for approximately 15 days, according to Supt. Maurice O'Brien.

Growers are receiving $110 a ton for fruit graded 14 to the pound or better, a healthy increase over last year. Fruit is larger than in 1953, O'Brien said.

Alaco Preserving Co., Decoto, will begin canning in about a week with 200 employed.

Fair Ends, Local Entries Get Big Share of Prizes

Alameda County's annual fair wound up its run at Pleasanton over the weekend, and more than a score of Washington Townshippers were sporting blue ribbons and trophies as a result of traditional judgings.

Top winner—at least in the quantity department—was a Niles farmer, Donald Stettis, whose floral exhibits won him more than two dozen awards. Among the prizes carried off by Stettis, who lives on Cherry Lane, were:

Rose, third; carnation, two firsts; transvaal daisy, second; fuschia, single and double, both first; pelargonium, Lady Washington, second and third; yellow calla lily, second; pink calla lily, third.

Potted coleus, first; potted sedun (succulent), first; epiphyllum, third; orchid, first; family booth, first; bush beans, first; Blenheim apricots (fresh), second; Tartarium cherries, second; lemons, two firsts; avocado, first; dried apricots, Blenheim and Moorpark, first on each.

Project trophy winners in the County 4-H Club division included: Ted Logan, Niles, farm-and-home electricity; Harvey Granger, Niles, dairying; Mrs. Brad Agrella, Mission San Jose, poultry.

Topping 4-H Livestock competition were Tom Logan and Don MacKintosh of Niles, and Sue Harvey of Alvarado, who won firsts. Second places went to Steven Gossard of Niles, Bobby Harvey of Alvarado; and Stanley Day of Newark. Bruce Gellerman of Niles won a third-place ribbon.

In the 4-H Livestock Showmanship classes, honors went to Gellerman, MacKintosh, Sue and Bobby Harvey, Day and Logan.

At the junior fat stock auction, John Adams of Centerville took a lion's share of the money in the sheep division, with a total of ten premium animals. Warren Rogers of Centerville sold three, and Ernest Duarte of Centerville, one.

John Wolf of Newark grabbed a first, second and third in pigeon judging. Siegel's Bunnyland, of Newark, took a first and a third in the rabbit division.

Local Guards Win Coveted Trophy

A high honor—the Adjutant General's Trophy—was carried off last week by Centerville's C Battery as National Guard summer training ended at Camp Hunter Liggett.

Returning to their armory at the end of Alder Avenue, the local civilian-soldiers proudly displayed a two-foot-high gold cup, which annually is awarded to Northern California's artillery unit which shows the most progress during the year.

C Battery won it for rising in strength from 11 to 72 men since summer camp in 1953. The battery was established in Centerville not quite a year ago. It was officially rated "excellent" by Army inspectors last week.

The local unit beat out 24 other artillery batteries to win the coveted Adjutant General's trophy.

It also won top battalion honors in the softball playoffs, and two members, brothers Joe and Gerald Wiltz, copped lightweight and welterweight crowns, respectively, in battalion boxing matches.

EDWARD ROSE, ONCE CAR DEALER, DIES

Funeral services were held at Corpus Christi Church, Niles, for Edward Bernhardt Rose, 65, of Oakland, a member of one of Washington Township's pioneer families. Rose died at his home Wednesday.

Rose once operated a livery stable in Niles, later he established the community's first automobile agency and subsequently operated garages at Irvington and Centerville. He moved to Oakland in 1940.

He is survived by his wife, Adele, a son, Edward Jr., and two daughters, Mrs. Edwina Hobbs of Arkansas, and Miss Leontine Rose of New York City.

He also leaves three grandchildren and two brothers, Frank and George Rose, both of Niles.

Arrangements were by Berge Mortuary Co.

PARKING LIMITS IN CENTERVILLE

Parking regulations went into effect in Centerville's downtown district last week, on order of the Board of Supervisors, and at the request of the local chamber of commerce.

The new ordinance provides:

1. One-hour parking on Main Street between Central and Parish, and Center Avenues between the hours of 9 a.m. and 6 p.m.

2. Ten-minute parking in front of the Postoffice, between 8 a.m. and 5 p.m.

The limit is lifted on Sundays and holidays.

WORK STARTS ON PHONE BUILDING

Work began last week on a new $85,000 telephone building on the north side of Second Street near Broadway, Irvington.

The reinforced concrete building will house dial equipment that will unite Irvington, Mission San Jose and Warm Springs into one telephone exchange — to be known as South Washington.

"Someone in Irvington, for instance, can dial directly to anyone in Mission San Jose and Warm Springs as well as in Irvington after the change-over," said S. D. Smith, Pacific Telephone manager.

Cost of the whole project will be approximately $600,000, said Smith. It will be completed next year. Contractor Swinerton & Walberg, of San Francisco.

The dial equipment to be installed in Irvington's new building will replace the present magneto equipment there now. It will also replace the small dial offices now in Mission San Jose and Warm Springs.

NILES MEN WIN

Two Niles men, members of their party Central Committee for Southern Alameda County, won re-election at the June 8 primary, it was disclosed this week. Vernon Ellsworth, Republican, topped his ticket with 9320 votes, while Charles A. Russell, Democrat, was fourth in a five-man slate with 13,075

Supes Toss Centerville Zoning Back At Planners

Increased commercial zoning for Centerville won an assist from the Board of Supervisors last week.

The Supervisors agreed to turn back to their Planning Commission for reconsideration the issues of:

1. Business zoning along Fremont Avenue, possibly as far as Sequoia, to allow for a proposed five-acre shopping center,

2. A small shopping center on Thornton near the Freeway route,

3. Minimum subdivision lot sizes, set by the planners at 6000 square feet as a compromise between builders who want 5000 and the Centerville Chamber of Commerce, which asked for 6500.

Landowners along Main Street north of Thornton asked in vain for an extension of commercial zoning there. Petitioners were Dr. C. L. Hightower, chiropractor; Bernie Vail, taxi owner; Louis Lagorio, restauranteur; George Kay, garageman; and Angelo Mariani.

Also accorded a cold shoulder was a request for business zoning on Thornton near Blacow Road. Realtor Harold Franck said he has a client who wants to put a 22-acre development there.

Likewise shelved were requests for extension of commercial zoning south of Washington Hi, and for a subdivision in a proposed industrial area between Joseph Street, Baine Avenue and Central.

No date has been set for the Planning Commission to reconsider its recommendations, which must receive final okeh from the Supervisors.

CAROLLING AROUND NEWARK

NEWARK 3-3564

AROUND TOWN

Boy, oh boy, did we pull a Brodie **last** week. July 20 isn't a Friday, it's a Tuesday but at least we were **right** on one thing . . . it is election day for the Newark Elementary School District tax increase of 28 cents. So if we understand each other now, how about circling July 20, a Tuesday, on your calendar and going to the polls. The School District needs your yes vote and so do the children.

Newark flocked to the County Fair at Pleasanton and some of the lucky ones came home with ribbons, medals and cups. We don't presume to know too much about who won what but we do know there were winners . . . like f'instance . . . **Ernest Duarte Jr.** coming home with a first in Agricultural mechanics . . . **Mrs. Louise Quadros** showed off her prowess in the kitchen and received a first award for her efforts . . . **Mrs. John Wolf** did Mrs. Quadros one better by garnering a first and a third award . . . **Don Lunsford** did okay in the poultry and rabbit competition; he won a first and second place.

There is more to a Fair than exhibits and horse racing . . . the super part is always the big parade that tingles your spine and whets your appetite for more pretty baton twirlers, horses and floats. Newark did fine here too . . . did you see **Tony Martin's** two beautiful horses, Sirocco and Pedro, with **La Verne Soito** and **Johnny Pine** in the saddle. They showed so perfectly that they were awarded first and second as the best individual parade horses . . . now the Martin mantel has two more beautiful trophies . . . **Al Larson** and his matched parade horses took a second place.

Best of all was little **Judy Martin** riding her beloved pony Honey and receiving a trophy as a special award. This was Judy's third parade and the second time she won an award . . . Sirocco, Pedro and Honey with the same riders were in the 4th of July celebration parade in Albany on Monday . . . so maybe Tony, Rose and Judy might have more souvenirs.

Also tops in their division of the parade were the 49'ers Majorettes who were the best majorette group in the parade and in this terrific group of high-stepping baton twirlers we find the lovely **O'Mara sisters, Wanda and Deanna.**

Aldina M. Soito, 1137 Elm Street, Newark was the lucky winner of the 24" Motorola TV which was the grand first anniversary prize at the Newark Pharmacy. Although we were so sure (or should we say hopeful) that this was our turn to win something, we get nothing more out of this drawing than the pleasure of sending Aldina our congratulations for her good fortune. We understand that she didn't have a TV so now she will enjoy viewing in her home, thanks to Walt Haller's first anniversary as a Newark businessman.

Bob Malone was given a birthday party by his "ever lovin'" Ernestine last week and the Malone home was crowded with relatives ready to mark the day for Bob.

Raymond and Annie Sudbury, daughters, Fauleta and Marcella along with Mrs. Inez Sudbury and son Lonnie pioneered the way for the rest of the Sudbury clan to do a bit of visiting down Arizona way this summer. The lure of course being Wanda and Gene Lewallen and boys, Elbert and Delbert . . . not the heat. To enjoy life in Casa Grande all you need is a fan, an umbrella, a swimming pool and gracious hosts like the Lewallens.

The County Fair was big but this Saturday and Sunday there will be big doings right here in Newark with the Holy Ghost celebration at the Pavilion. Lovely Diane Caldeira will reign as queen and she will have Eileen Pierce and Joan Silva as sidemaids. The scene over which Queen Diane will reign will be alive with happy people enjoying the excitement of parades, fireworks, dancing, sopas and the glitter and chatter of the carnival midway. That's the place to be this weekend so we'll see you around . . . okay!

Dr. and Mrs. Louis "Bud" Ruschin were gracious hosts at their summer home on Seacliff Drive, Santa Cruz for a group of happy 4th of July weekenders. Mr. and Mrs. Jim Nunes, Mr. and Mrs. John Santos and Mr. and Mrs. Ed Vierra of Centerville; Mr. and Mrs. Jeff Calleri of San Leandro; Mr. and Mrs. Gus Jergentz of Hayward; Mr. and Mrs. Jim Collins and Mr. and Mrs. Ed Mello of Newark.

Ivan and Pearl Cole, Mrs. Renee Cole and Mrs. Ann Pashote and daughter Sharon drove down to King City to visit George and Ivan Cole Jr. and Pat Pashote at the National Guard camp, as the boys rested a day. The Guardsmen had a tough two weeks of training and were happy to return home to the cool Township.

Betty Cole and son Mike visited with her mother, Mrs. Bertha Birkheimef in San Jose while hubby, Ivan Jr. was at camp.

Katie Reichmuth has had a bad summer so far . . . two operations and three weeks in Palo Alto Hospital . . . but the rest of the summer will be much brighter as she recuperates at home.

They lowered the gangplank on Wednesday, June 23 and coming aboard the good ship Petersen, which was temporarily docked at Oak Knoll Hospital, was a husky little fellow and prospective seaman first class, William Eugene Petersen, weight, six pounds and three and one half ounces. The good ship Petersen, Mr. and Mrs. Julius Petersen, already had a crew of three, Adrian Mae, Mildred Jeanne and John Joseph. CF/3 Julius Petersen is a career Navy man with 12 years of service and he is currently stationed aboard the USS Rainier at Mare Island.

Mr. and Mrs. R. C. Springer enjoyed a barbecue dinner on Sunday the 4th at the home of Mr. and Mrs. Henry Ruskofsky in Oakland. While other people were celebrating only Independence Day, Jake and Henry were also celebrating their birthdays.

Visiting George and Edith Hinkley and sons, Ronald and Mike, was Edith's mother, Mrs. Grace All of Santa Rosa. Mrs. All found visiting with her daughter and watching the antics of her two ambitious grandsons to be a healthy tonic.

Have you missed your friend and publisher, George Oakes? We have and it seems the missing will continue for some time yet, because he re-entered the hospital last week to undergo another operation and he will be some time recuperating again. If George is still reading this column, (not much else to do in the hospital) we send him our best wishes for a complete and quick recovery.

Mr. and Mrs. Waylon Morgan and children, Cathy and Randy spent an enjoyable vacation back in Norton, Kansas visiting with Mrs. Morgan's parents, Mr. and Mrs. W. C. Belt.

Last Wednesday afternoon, Neil "Skip" Sheffield celebrated his seventh birthday with refreshments and lots of games to keep the whole "gang" in the party spirit. Joining the fun were: David Thiessen, Danny Willburn, Allan and Richard Leighton, Gregory Popst, Donny Pennaman, Tommy Funston, Jimmy Carnes, Charles Galloway and his brother Steve. Overlooking the activities were his mother, Bea Sheffield, Norma Willburn and Maureen Thiessen.

Clem and Wilma Spence and their family, Shirley, Richard and Wesley has temporarily enlarged the family circle with the arrival of Wilma's mother, Mrs. R. D. Brown, her sister, Willetta Brown and niece Joanne Brown plus their mutual friend, Ruth Engebritson. All of them hail from Mankato, Minnesota and Wilma's aunt, Mrs. Ellen Leitrue of Vermillion, South Dakota accompanied them west to enjoy the Spence hospitality and this wonderful California weather.

Bill and Edna Williams and children Anne and Johnny were down this way from Seattle, Washington for a week vacation with Edna's parents, Mr. and Mrs. Ben Leal and visiting with her uncle and aunt, Mr. and Mrs. Joe Rocha. Williams came down to attend the Western Conference of Teamsters in San Francisco so it provided a perfect opportunity for a family visit here.

We hear that Mitchell Silva had a pesty appendix removed at Alameda Hospital last Monday and hope he is in tip-top shape by now.

Congratulations are on the wire for G. Merle and Dorothy Witcraft as they look forward to their ninth wedding anniversary coming up on Monday, July 12.

Mr. and Mrs. Henry Lewis and daughters Bette and Janice returned home last Thursday after enjoying a pleasant three-day midweek stay in beautiful Yosemite. They also spent a day visiting with Mr. and Mrs. Coy Hall in the raisin city . . . Fresno.

Here comes the shortie greeting train chugging 'round the bend loaded down with happy birthday wishes we can relay along . . . to **Delinda Ennes,** a wee bit late but sometimes cars get derailed and it takes time to get them back on the main line . . . to **Mary Machado,** who marked off another year on the 28th of June . . . to **Diane Caldeira,** a sweet and excited sixteen on July 5 . . . to little **Greg Nevis** who was a happy three on July 2 . . . to **Merle Witcraft** who will be adding another on July 12 and subtracting something from somewhere to the tune of "Happy Birthday" sung by an all-male chorus . . . to **Lillian Zanoni,** who was sweetened all last year and is a young lady of seventeen now that July 5 has gone by the boards . . . to **Jeanne Doorley** who is now old enough to go to the polls on election day . . . to **Carl Kveseth** who has been voting since . . . a long time ago anyway but nevertheless he still remembers June 28 . . . to **Carla Querner** who will be celebrating her third birthday come Sunday, July 11 . . . to **Mary McDermott** of the "merry macs" who we are sure will be slightly more than nineteen on July 12 . . . to **Judy Conyers** who did her celebrating on July 1 . . . to **Billy Allan** who had his two-candle cake last week . . . to **Robert Cawthon** who will be a "lucky" eleven on Saturday, July 10.

OPEN LETTER TO THE RESIDENTS OF THE WASHINGTON TOWNSHIP

DR. S. A. LEMOS
21376 East 14th Street
Hayward, Calif.

Regarding the so-called raid held by agents of the State Board of Medical Examiners on Thursday, June 24, 1954; in which I have been charged with three counts, I would like to make the following statement:

I am definitely not guilty. This is just another instance where the allopathic medical profession, through its board of medical examiners, persecutes members of the chiropractic profession, as well as members of other allied health professions. This illustrates how organized medicine can use state agents to endeavor to eliminate all type of doctors outside of its dictatorial domain.

The three violations that have been placed against me could be placed against any doctor outside of the jurisdiction of organized medicine. They are minor charges, but are made to sound exaggerated in order to accomplish the chief purpose of the whole plan; to ruin the reputation of doctors' of chiropractic, and to destroy the confidence that the public has in chiropractic, and other doctors practicing under their own boards, outside of the jurisdiction of medicine.

The charges hurled against me by the medical board are fantastic and unfounded. Practicing medicine without a license is the old familiar section 2141 of the Business and Professions Code. This makes interesting reading, but it has been proven in courts many times that the chiropractic profession is separate from medical domination. We have our own board of examiners under which we are licensed. Our California license gives us the right to practice chiropractic as defined by our own board.

The practice of chiropractic is a complete system, embracing all fields of health such as: diagnosis, all specialties such as obstetrics, gynecology, pediatrics, etc. We have the legal right to sign all public health documents, such as birth certificates, death certificates, etc. While our chief therapy is manipulation, we use many agents and therapies also used by medicine; which are used in an entirely different sense, and for different physiological reactions.

The whole thing boils down to the fact that the medical board forgets that those doctors licensed under other boards also have certain rights and privileges granted to them by the same state, or by the people of California.

The above statements are not directed in any way to individual doctors of medicine. They are respected members of the community and are fulfilling a very important mission. Most of the things that have happened to me and others in the same profession, are outside of their control.

MR. & MRS.—Joyce Castro and Elias Novo, pictured at their recent wedding.

JOYCE CASTRO WEDS ELIAS J. NOVO

On June 13 Joyce Castro became the bride of A/1C Elias John Novo with a ceremony performed by Father Vincent Breen at Holy Ghost Church.

For her wedding the bride chose a gown with a white chantilly lace bodice, long sleeves, scalloped neckline and full-length three-layer tulle skirt. Her finger-tip veil of illusion was fastened to a lace crown and carried white carnations with a white orchid in the center. She was given in marriage by her father, Mr. Jack Silva.

Matron of honor for her cousin's wedding was Jean Gonzales of Niles. Bridesmaids were Margaret Nunes, Centerville, Clara Ferreira, Niles. Junior bridesmaid was Joan Fragus, cousin of the bride, and flower girls were Cathy Silva, her niece, and Jeanne Marie Oliveria of Hayward, her cousin.

The bride's attendants wore gowns of white chantilly lace and tulle with high necklines and cap sleeves with full-length skirts. Their hats were bands of tulle with two pompoms covered with seven-inch veils. They carried red carnations. Junior bridesmaid and flower girls were dressed alike in frocks of chantilly lace and net, original creations by Daisy Paiva. They also carried red carnations.

Mrs. Jack Silva, mother of the bride, chose a gown of Delphinium blue chantilly lace over tulle and taffeta with shoes to match, white accessories and a white orchid. Home on leave from Fort Lewis, Washington to attend the wedding of his sister and escort his mother to her place of honor in the church was Cpl. Joseph Allen Silva.

Attending the groom as best man was his cousin, Edward Avelar of San Leandro, Joe Gonzales and Joe Orocchi acted as ushers. The groom is the son of Mr. and Mrs. John Novo of Alviso district.

For her son's wedding Mrs. Novo wore a beige frock of Irish linen with Navy blue accessories and a white orchid.

The church altars and aisle were decorated with white gladioli.

A reception was held following the ceremony at Washington Township Sportsmen Club in Mission San Jose. The decorations were gladioli and stephanotis. Some 350 guests were present.

After a northern honeymoon, the bride and groom are making their home in Riverside, where the groom is stationed at March Field.

TETANUS SHOTS URGED BY MEDICS

Doctors at Children's Hospital of the East Bay today warned parents to check up on the tetanus immunizations of their children. "With vacations upon us," the doctors urged in their statement, "parents are reminded of the importance of immunization against this preventable disease."

The warning came on the heels of the admission to the hospital an eleven-year-old girl, in serious condition from tetanus, or "lockjaw" as it is commonly known. The child stepped on a rusty nail a week ago Saturday while playing near her home.

When admitted to the hospital, she could not open her mouth, and muscular spasm gripped her entire body.

Doctors point out that, although she had some immunization in infancy, her immunizations were not up to date, and she had not been given the "booster" shots considered essential at three-year intervals following the initial immunization.

"These 'booster' shots," the doctors say, "are necessary if the immunity or resistance to the disease is to be maintained. With hordes of youngsters now preparing to leave for summer camp, parents should be reminded of this simple health precaution. Lockjaw is always a serious, and often a fatal disease," they explain.

SUZY SEZ...

A service man's wife says she never accumulates "junk" that must be moved each time she does. She just looks every article over, asks herself if she's used it within the last year, and if not, throws it away. Baby clothes excepted!

The sign of an expert cook, I'm told, is that there are no left-overs. How about you?

Was her face red! I mean the Township woman who hurried out from her job, and started to climb into the wrong car.

Some local ladies seem to think that being married entitles them to go about even more scantily clad than many teenagers.

If you're troubled by dress lapels that won't stay back, hold in place with a loop of cellophane tape.

Am I mistaken, or are those drains in some Decoto streets deeper than they used to be? They certainly bounce an unwary driver.

An Orchard Park housewife cuts her soap-filled scouring pads in small pieces, and uses only what she needs and throws it away.

If you listen to the local business man bragging about his race winnings you'll really envy him. But his wife tells a different story of his losses, and of only one day when he came out ahead.

And then there was the Newark man who thought his wife's new ear-rings were thumb guards for the baby.

One of the most attractive kitchens I've seen in months has cafe curtains made of a border print cotton.

I still don't like the U.S. flag flying from a beer truck I often see in the Township.

Trick of the week is suggested by a teenager. She rolls her hair up on "rag curls" made of moistened nylon stocking strips. They dry fast, and result in an attractive wave.

That cute Newark girl hasn't learned that we females never exaggerate our age. The day after her seventh birthday she said she was "almost eight!"

Hint to thread manufacturers. When the thread color is over the hole in the spool it makes matching colors hard on a seamstress.

A Niles woman who makes all her children's clothes always shrinks her material, unless it is plainly marked "sanforized."

It happened again. A family was already to move out here, and then the builder was late in getting their house completed. So, they crowded six rooms of furniture in a 3 room apartment.

The recently married man who had high hopes of being done with fixing his own meals and dishwashing has now discovered that his marriage contract must have contained a clause saying he'd wash dishes every night.

So long . . .

Here's one place where today's dollar goes further

In the fondly-remembered time of the nickel trolley and the 25¢ T-bone, gasoline for dad's 1925 model cost about 18¢ a gallon (excluding taxes). Sounds like a bargain—yet it really cost *more* than today's gasoline. The reason is clear when you keep this fact in mind: You fill your car's tank with gasoline, but what you're actually buying is *mileage*. Naturally, you'd rather pay $1 a gallon for gas that gave you 100 miles a gallon than buy 10¢ gas that delivered only 5 miles to the gallon. And that's why today's gasoline costs less than motor fuel of 1925 . . . it gives you *more miles to the dollar*. Research by companies such as Standard Oil Company of California has improved gasoline spectacularly over the years. This better motor fuel made more efficient auto engines possible, and together they give you up to 50% better mileage than motorists got in the '20's. On top of that, competition between oil companies has helped to hold down gasoline prices. Since 1925, they've risen only 20% (excluding taxes) while food has gone up 70%, clothing 63%, and the cost of living 53%. Compared to practically anything else you buy, gasoline is a bargain. Your money goes further when it goes for today's finer gasoline that delivers more miles to the dollar.

CARROLLING AROUND NEWARK

(Continued from Page 2)

Bob and Darlene Peters took their young sons Gary and Randy with them for a relaxing long weekend (Thursday-Tuesday) at Blue Lake where the fish were biting. It's so peaceful in the mountains . . . and sleeping bags are so soft this year.

Enjoying the 4th of July weekend in Newark as guests of the Ed Maughans were Mr. and Mrs. James Kirby and children, Sharon, Kay, Marilyn and Jimmy from Happy Camp . . . that's a jolly place near Yreka. Mrs. M. and Mrs. K. were once Misses of the same initial . . . sisters.

Gary and Jacque Armstrong brought a couple of guests, Frank and Lauretta Wren of Hayward, to the Twirl-Abouts dance last Thursday. The Wrens are members of the Skips and Misses of Oakland so they added a little flavor to the local group which was dancing solo for the first time.

The crocheting needles were clicking in the Joe Rocha home last Thursday when Mrs. Florinda Gonsalves of Centerville and Mrs. Jeannette Rocha kept their fingers busy.

Mr. and Mrs. Jim Taylor and son of Santa Rosa were Sunday visitors at Jake and Mayme Springer's home one week ahead of the 4th.

Ernie and Fran Veach along with Norman and Shirley Silva dined and danced at the Villa de la Paix and the Ali Baba, respectively, to celebrate Fran's birthday on Sunday June 27 which was three days early, but, as we have so often heard, a gal has to accept dining and dancing invitations whenever she gets the chance.

Paul and Louise Gygax and daughter Denise joined Charles and Lucille Champion and sons, Woody, Frank and Bobby at Paradise Park for a relaxing 4th of July weekend.

Mrs. Cynthia Collins and daughter, Mary Frances enjoyed a "family" vacation last week. They started off with a one day visit with Cynthia's sister, Mrs. Helen Pausback in Sacramento. Then it was on to the Herzog Bros. ranch in Courtland to see Cynthia's brothers, Carl, Jack, Joe and Fred Herzog and enjoy a few days of ranch life.

MISSION SAN JOSE

By TEDDY PEREIRA

Congratulations Mary and George Rodriguez on your recent wedding anniversary.

Congratulations of a different nature are extended to the Mission Grammar school students and teachers for their lovely "Old and New Mission" float which was exhibited at the fair, winning first prize.

Andersen Lake proved a lucky site for the Troy Bell and family where they spent several days on a successful fishing trip.

Back to the old grind went Eddie Rogers, having just completed a pleasant two week's vacation.

Take notice please that our local library will be closed July 19th and 20th.

For a few days we were very concerned over the severe chest cold Faye Castro had. Faye is somewhat improved now.

Everyone can relax now as Lena Solon tells us Cy came through surgery with flying colors.

Vallejo visitors were Mr. and Mrs. B. Robertson. They are really happy over their son spending several days with them.

Young Wayne Dutra came down from Lincoln to visit with all his little cousins, the Phillips.

Rare is the day I have company but was surprised with a visit from Mr. and Mrs. J. G. Palmer of Piedmont.

Anything like this really goes to one's heart, as Lois Bottenberg, Lois O'Dell, Ruth Santos and Gladys LeBlock spent an evening at Camp Parks, as Mother Club representatives entertaining the patients in the TB ward. They also served sandwiches and punch.

Fourth of July is one holiday our ace barber, Fred, is not likely to forget as he and his nice family moved into their new tract home here. They formerly resided in Hayward.

The Mission Palms is really going to town now with their new neon sign plus that heavenly cooling system.

Sure sorry not to get some of the items that many of you sent me but please from now on get your items to me by Saturday a.m. You can call me, Mission 2026 any evening after 7 p.m.
